Terms and Conditions

May 2017

There is no promise either written or implied which could be construed in any way in which 2Kconnect would be building a business for any of its Community members. The Services, including any updates, enhancements, new features, and/or the addition of any new products, are subject to these Terms and Conditions. Paying your monthly membership fee provides you access to these services and tools regardless of whether you login to your membership account and access them or not.

** Reference End User License and rights as established by the 2Kconnection Software End User License Agreement

9. Charges

You agree to pay all charges for your use of the Services according to the payment plan applicable to your Services, and in effect for your country of residence. 2Kconnect reserves the right to change prices or institute new charges for access to or use of 2Kconnect Services unless you have a signed Written Agreement with 2Kconnect. All changes will be posted by 2Kconnect on the 2Kconnect Websites and you are responsible for regularly reviewing such pricing information to obtain timely notice of such changes. Continued use of the Services associated with your 2Kconnect account after changes are posted constitutes your acceptance of the prices as modified by the posted changes.

Charges for Services may include activation, recurring subscription, and usage fees. Your activation and recurring subscription fees are payable in advance and are COMPLETELY NON-REFUNDABLE after 30 days. Any upgrades in membership status, made during your current 30-day billing cycle will be billed at the upgraded level on your next 30-day billing cycle. Any downgrade in your Membership Status will also be effective on your next 30-day billing cycle. No additional charges nor refunds will be forthcoming during your current billing cycle. Usage charges are charged as and when such charges are incurred or by accumulating such charges (in the sole discretion of 2Kconnect) in accordance with the usage rates applicable to each of the Services you use.

Payment of your 2Kconnect account balance is due monthly and, unless you have a qualified business account, must be made by the credit card designated by you for 2Kconnect use and transactions. If your 2Kconnect account is a qualified business account and is approved by 2Kconnect for corporate billing, charges will be accumulated, identified by Customer identification number and invoiced monthly.

If you subscribed for Services pursuant to a special offer granting you a free or reduced trial period, your activation fee and an initial monthly Services fee will BE PRE-AUTHORIZED AGAINST YOUR CREDIT CARD OR DEBIT CARD LIMIT (meaning the amounts pre-authorized will not be considered available credit or debit funds in such account) and will be immediately charged to your credit or debit card, without further authorization from you, upon the expiration of such free or reduced trial period, unless you provide prior notice (in accordance with 2Kconnect's verification procedures, as may be established by 2Kconnect from time to time in its sole discretion) that you have terminated this authorization. Such notice will not affect charges submitted before 2Kconnect reasonably could act on your notice.

Charges are to be paid monthly in the currency in which billed. A failure to pay the charges is a material breach of this Agreement and grounds for termination by 2Kconnect. If the payment method for your 2Kconnect account is by credit card and payment is not received by 2Kconnect from the card issuer or its

agents, you agree to pay all amounts due upon demand by 2Kconnect. Each time you use the Services, or allow or cause the Services to be used, you agree and reaffirm that 2Kconnect is authorized to charge your designated card. Your card issuer's agreement governs your use of your designated card in connection with 2Kconnect, and you must refer to such agreement (not this Agreement) with respect to your rights and liabilities as a cardholder. You agree that 2Kconnect may (at its option) accumulate charges incurred during your monthly billing cycle and submit them as one or more aggregate charges during or at the end of each cycle, and that 2Kconnect may delay obtaining authorization from your card issuer until submission of the accumulated charge(s). This means that accumulated charges may appear on the statement you receive from your card issuer.

Failure to pay the monthly subscription fee, when due, will cause your 2Kconnect Membership to be suspended until payment in full is received. Suspension of your 2Kconnect Membership will limit your access to your 2Kconnect Back Office and the ability to join additional income generating opportunities. You will also have limited access to other benefits and services (See Item 8 Above), until your membership fees are brought current.
